

Purdue University Global BCBA[®] and BCaBA[®] Examination Pass Rates for Verified Course Sequences 2014–2024

These data represent the annual number of first-time candidates from each Verified Course Sequence, along with the percentage of those who passed. Candidates are included in a course sequence's pass-rate data if they used coursework entirely from that sequence to meet the eligibility requirements for certification. Data are not reported for (a) course sequences within their first 4 years of operation or (b) course sequences with fewer than 6 first-time candidates during the year.
