

INELIGIBLE COURSE LIST

Important Notice

Courses listed below cannot be petitioned for credit in Purdue Global's credit for work and life experience courses. Students who are enrolled in the Associate of Science in Nursing are not eligible for experiential credit. In addition, Nursing courses cannot be petitioned for credit as open electives for non-nursing students. Graduate courses are also not eligible for experiential credit with Purdue Global's credit for work and life experience courses. Please keep in mind that the ineligible course list is subject to change as new courses and programs are released.
